Hints for a successful Individual Skills competition:

- Safety is the first priority
- The use of different colored (or striped) golf balls may be used so multiple athletes can hit at the same target at the same time.
- If you do not do this, only one athlete may hit to an area at one time for the safety of the scorekeeper.
- If you use multiple hitting areas, have the athletes in all stations hit all 5 shots with the scorekeepers standing in a safe place.
- After all athletes have completed their attempts, the scorekeepers would move out, score and pick up the group of balls.
- One scorekeeper will be needed for each station.

J. Golf Cart Use for Level 2 & Level 3

Special Olympics Oklahoma believes that all golfers should be able to walk the course they play as part of the game of Golf.

In the extreme event that an athlete cannot walk due to a physical disability or medical condition, that athlete may apply for permission to use a motorized golf cart. The athlete must request and complete the SOOK Golf Special Request Form and a valid Doctor's statement stating the athlete is unable to walk nine holes of golf due to his/her disability or medical condition.

The Request Form and Doctor's statement will be evaluated by a Golf Committee consisting of the SOOK Golf Director; a Special Olympics Board Member; the Event Director of that specific golf event; a SOOK staff member and a doctor on the SOOK Medical Committee.

In the event the athlete is considered to qualify for a motorized golf cart, the following rules will be enforced during competition:

- 1) The athlete's team is responsible for arrangements for and all costs associated with renting a golf cart for the event.
- 2) The athlete's team must provide a qualified, licensed adult driver for the cart. Special Olympics athletes will not be allowed to drive the golf cart.
- 3) In Partner Play, the Partner must walk the course. The Partner cannot be the designated cart driver.
- 4) The SOOK Request Form and Doctor's statement are good for a single event only. Athletes needing to ride a golf cart rather than walk the course must submit a new Request Form and Doctor's statement for each competition.
- 5) The SOOK Golf Special Request Form must be requested from the State Office. Plan to get the form in time to have it completed so that this Form, along with the Doctor's statement, can be submitted with all other event registration forms by the event deadline.
