WHAT IS THE SCHOOL CHALLENGE?

Challenge - something that by its nature or character serves as a call to battle, contest, special effort, etc. Here's your running call to battle. Take the challenge and put your school up against other area schools taking part in the St. Patrick's Day Run. Battle it out with other schools for bragging rights. Schools that participate in the School Challenge get a free entry for the school coordinator and a \$10 discount on all other entries.

SCHOOL CHALLENGE CATEGORIES

You can compete in any of the three categories. Awards will be given to each category:

- **Fastest Team:** Each school's 5 fastest times in the 5K will be totaled and the lowest combined score will earn the distinguished title of Fastest School and receive an award.
- **Best Costume:** Encourage your students to have fun and dress up in their best St. Patrick's Day costume. Awards will be given for Best Costume, Best Child's Costume and Best Team Costume.
- **Top Fundraising:** Why not raise money for a great cause? The Top Fundraising school will receive the coveted Pot O' Gold award.

HOW TO GET STARTED

1. Email Derek Cain at derek@sook.org to request your school codes (One code for a free entry for the school coordinator and one code to share with students and family members for the reduced entry fee.)
2. To register for the race, go to: www.sook.org/stpatrun
3. Be sure to add your school as a team.
4. Share registration link and code with your students and parents. Remind your students (only) to select your school's name as the team (to be eligible for the Fastest Team award).
5. When your school is done with registration, notify us and packets will be ready for pickup or delivery the following day.

Contact Derek Cain at derek@sook.org or 918-481-1234 to help get you started in the School Challenge.

**Online registration is preferred but paper forms (see next page) are available to schools that need the ability to distribute forms for students to take home.*
